

## Charlotte Scofield FISHERIES BIOLOGIST

**Charlotte Scofield** has worked for the Tribe as a Fisheries Technician for 3 years and as a Biologist for 3 years. Charlotte has a bachelor's of science in Conservation Biology from the University of Idaho and a graduate certificate in Fisheries Management from Oregon State University. Originally from Northern Idaho, Charlotte enjoys the beauty of the North Cascades via backpacking/hiking and backcountry skiing and tasting the fine microbrews Western Washington has to offer. She lives with her husband, Kit, and golden retriever, Mabel, in Mount Vernon.
