

**March 4, 2020**

**Kackman Creek Culvert Replacement with a New 110-Foot Bridge at 55<sup>th</sup> Ave NE**

**NOTICE TO PROSPECTIVE BIDDERS**

NOTICE IS HEREBY GIVEN BY THE STILLAGUAMISH TRIBE OF INDIANS that some questions have arisen about girder delivery schedules. THE STILLAGUAMISH TRIBE OF INDIANS recognizes that given current backlog in Washington State, girder delivery may be delayed until early August, and that the bids for this project will need to account for sequencing of the excavation, in-water work, and girder placement within the fish window. THE STILLAGUAMISH TRIBE OF INDIANS looks forward to reviewing bids for this project, working with the winning bidder, and bidders are encouraged to move forward and submit a bid.
